PROFILE

Dedicated flutter developer skilled in using Firebase and integrating APIs. I prioritize writing clean code and am seeking an internship opportunity to gain hands-on experience and learn from senior developers.

MY WORKS

Hotel-Booking-App

A sleek and modern Flutter-based booking application designed with smooth navigation, elegant UI, and Firebase-powered authentication.

Quiz0

A Flutter quiz application designed to make learning fun and interactive.

Foodie

A sleek, minimal, and responsive food delivery app UI built with Flutter.

ToDo

A simple and clean Flutter project demonstrating Local Database CRUD operations using SQFlite.
